

Scoresheet for determining if sufficient risk-reducing factors are present to allow class to held in safety (see Notes at bottom)

	Factor	Rating guide (1 to 10): Very safe = 10, High risk = 0	Rating	Notes
1	Outdoors, including stoep or deck	Completely uncovered, open all around, e.g. lawn: 20 If under awning, tent, or roof, open on three sides: 12 Reduce above scores if space is restricted, e.g. small courtyard, or only two sides open. (If indoors: 0)		
2	Ventilation	Outdoors: 20 Excellent cross ventilation through open double doors, and windows: 16 Some cross ventilation through windows only: 12 Some ventilation through windows on one side only: 8 Little or no ventilation: 0		Ventilation can be augmented by placing an effective fan (50cm diameter or larger) at a window to extract air and blow it outwards. Increase rating by 3 for each fan.
3	Size of room, relative to number of dancers	Calculate area of room (sq.m) = L (m) x W (m) Divide by number of dancers, to give sq.m/dancer. Above 8,0 sq.m/dancer : 10 Between 7,0 and 8,0 : 8 Between 6,0 and 7,0 : 6 Between 5,0 and 6,0 : 2 Less than 5,0 sq.m/dancer: 0 For high ceiling (double volume): add 4 to rating		Can be used to estimate maximum no. of dancers for size of space, by dividing area (sq.m) by 7
4	Duration of class including any social mixing before or afterwards	Below 45 min: 10 45 to 60 min: 8 60 to 75 min: 6 75 to 90 min: 4 90 to 120 min: 2 more than 120 min: 0		This includes total interpersonal contact time, such as meeting and greeting, introduction, sharing circle, tea & socialising afterwards.
5	Level of proximity & interactions	Amount of close face-to-face time: None 20 Less than 1 minute: 18 Between 2 & 3 min: 12 More than 5 min.: 8		Critical here is the degree of exchange of breath, so face-to-face time needs to be monitored.
6	Level of hand or body contact	No hand or body contact: 10 Deduct 1 for each embrace Deduct 1 for each dance with holding hands or with caresses		e.g. Dance in in pairs, eutony of hands, encounters
7	Intensity of breath (level of exertion)	Relaxed, gentle, no strenuous dances: 10 One strenuous dance: 9 Two strenuous dances: 7 Three strenuous dances: 6 Four strenuous dances: 5 More than six: 0		
		Total Score		Minimum = 48

1. Masks to be worn, but if agreed by all, and total score is greater than 60, face masks could be removed.
2. All participants to undertake full responsibility for own safety; individually signed indemnities advisable.
3. Agreement by consensus to be reached by all, after discussion.
